Thank you to those parents who are so enthusiastically participating in the Woolworths Earn and Learn Sticker program. Parents can either drop their stickers off at the School Administration Office or at Woolworths Gordon. Previous participation in this program albeit, a commercial promotion, has resulted in the school being able to purchase excellent school resources for which we are very appreciative. One year we were able to purchase $4000 worth of Mathematics resources.

Congratulations to the Gordon West Zone Athletic’s team on winning the district carnival held last Thursday.
For the first time in the history of Gordon West we were victorious in this most prestigious event finishing 22 points clear of the second placed Roseville Public School. Although Jessica Maciver (6E) was outstanding in breaking the 12 year old girl’s 100 metre and the Senior girls 200 metre record the main reason for our success was our high participation rate and achievements across all track and field events. Full carnival results haven’t arrived as yet and will be published when we receive them.

Part of the growing up process is learning to deal with interpersonal conflict and hopefully gaining insight and resilience to enable us to handle challenging situations should the need arise.
In response to school community need the Gordon West Parents and Citizens under the auspices of Mrs Guenther has organised two workshops scheduled for Wednesday 26 August “Raising Kids that Cope” and Wednesday 2 September “The Resilience Doughnut”. The school totally supports this endeavour as it will assist our children to better manage conflicts and develop resilience.
On a school level teachers regularly mediate disagreements between children and guide them in conflict resolution. However what we do find inhibiting and for the most part counter productive is when parents become involved and try to resolve student disputes in person or by telephone or email. Although for all the right reasons a parent may wish to become involved we find it more productive for the parents to allow the school to work with students to resolve their issues. 

**Parents are advised that under no circumstance are they to take it upon themselves to attempt to resolve an issue on the school property.**

Congratulations to the Gordon West FRASC committee who organised the Black and White Bingo and Band Bonanza on Saturday evening 15 August. The school hall decorated under the guidance of Mrs Mance and Mrs Guenther looked magnificent and set the scene for a most enjoyable evening for the 120 people in attendance. It is evenings such as these that add to the special ambience of the Gordon West School community and makes it such an enjoyable place to be. A big thank you to Ms Harper for representing the school on this occasion.

A reminder of the Kindergarten Orientation Evening to be held in the library next Tuesday evening (25 August) where Mrs Davis and her team supported by representatives of various Gordon West parent groups will provide an overview of the many opportunities provided for the newest members of the school community. If you haven’t as yet completed an enrolment form for 2016 please do so immediately. If you have a neighbour or a friend who also hasn’t submitted an enrolment form please remind them to do so because accurate numbers are crucial to school organisation for 2016. Thank you to Mrs Daniels from FRASC for volunteering to organise the supper for the evening.

The K/2 Athletic’s Carnival was held on Thursday of last week. On a beautiful winter’s day the children, spectators and teachers had a lovely time participating and supporting one another in the many athletic and novelty opportunities provided for them by Ms Souter and her dedicated support team of parents and teachers. Congratulations to everyone for making the day so enjoyable.

Ku-Ring-Gai Council has informed the school that an increase in traffic and pedestrian numbers warrant the establishment of a Wombat Crossing adjacent to Pee Wee Park (in the same position as the existing Children’s Crossing). Raised “Wombat Crossings” are considered to be the most appropriate treatment outside primary schools for improved safety of children crossing the road. Thank you to Mrs Keith for her efforts in obtaining the crossing upgrade.

J Huckerby
Principal

---

**STUDENTS NOT RETURNING 2016**

Could all students (except Year 6) who are **not** returning to Gordon West in 2016 please complete this form and return it to the school office so that we can start looking at our enrolment numbers for 2016.

**Student Name:** ......................................................... **Class:** .............................

**Destination School:** ........................................................

**Signed:** ............................................................... **Date:** .............................

(Parent or Guardian)
The school tennis tournament will be running during recess and lunch during term 4.

Please return entries to Scott Gregson by September 17.

Parents Access to the Tell Them From Me Partners in the Learning 'parent survey

The direct link to the parent survey is now open. Using a digital version of the Bulletin on the school website or if a digital version is sent to you simply hit the link below: https://nsw.tellthemfromme.com/j_acegi_security_check/?j_username=parent17946&j_password=Gor3943

This survey is designed to clarify and strengthen the important relationship between parents/carers and school by gaining insights into:

- parent/carer and staff communication,
- activities and practices at home, and
- parent/carer voice on school support of learning and behaviour.

The survey results will help to build an accurate and timely picture that the school can use for practical improvements and to guide future planning. It complements the student (Year 4 to 6) and teacher surveys currently being completed. Parents/carers can take the survey online in their own time using the direct link below. The survey usually takes less than 30 minutes and is anonymous. Schools will be able to see only aggregated data. They will not see individual parent responses.

We greatly appreciate your support and welcome your opinions. The survey closes on the 18th September 2015.
During Term 3 Gordon West Year 4 students have been involved in an exciting, in-situ conservation teaching and learning program with our Turramurra Learning Community of schools. This project is aimed at supporting habitat awareness for an endangered local marsupial species, the Southern Brown Bandicoot. In 2015 the project’s specific goals are to promote awareness, encourage responsible pet ownership and dispel negative community views about Southern Brown Bandicoots.

The Year 4 students walked into the school grounds on Wednesday 5 August with smiles from ear to ear and bursting full of excitement that could hardly be contained. The Year 4 Zoo Snooze was finally here, and the anticipation of the adventures over the next day and a half was energizing.

The sun was shining but there was a slight breeze as the Gordon West and Turramurra students walked through the gates of the Taronga Zoo. First on the agenda were the introductions from the educational officers at the zoo. From there students and mentors familiarised themselves, before heading out into the zoo. This year the mentor students from Turramurra High School took on a rigorous selection process to be granted access to the program, and what a wonderful program it was! The high school students showed a huge amount of maturity and leadership while educating our students about a range of animals, all while completing engaging activities.

After this fantastic learning experience, Gordon West waved their mentors goodbye and moved their attention to some of the bigger tourist attractions the zoo has to offer. The seal and bird show proved to be a favourite with most of the students. The teachers overheard many conversations between students discussing careers in training seals and birds. At about 4pm, it was time to leave the lions and tigers and head back to our sleeping area. Students walked away from the day activities with a huge amount of appreciation for animals and an educated belief that the conservation of wild life is an important part of their future.

Students were given the opportunity to wind down from their busy day by watching ‘Hoot’ the movie in the auditorium. There may have been a few hungry, slouched and sleepy eyed students pretending to be awake. Sleeping arrangements and dinner was next on our program. While half of the groups gobbled down some sausage sandwiches, others groups attended in depth learning experiences that were delivered by staff from Taronga Zoo and the Gibbergong Environmental Education Centre. During these sessions students experienced up close and personal meetings with stick insects, blue tongues lizards, snakes and one of the cutest and cheekiest quokkas of all time.

It was finally time for the ‘Snooze’ main event, the night walk around. This experience is unique to this particular program and the students were extremely lucky to see many of the amazing zoo animals in an intimate night adventure. The animals seem so much more relaxed at night and students are able to watch the animals interact in ways that cannot be experienced during daylight hours.

At about 9pm the lessons finished and students got ready for bed. The girl’s sleeping arrangements were shared by the resident pythons, blue tongues, various other Phasmatodeas and reptiles. The boys were lucky enough to sleep within snapping distance of the alligator swamp and a jump away from the spider money cages.

In either sleeping arrangements, I don’t think it can be said that anyone had a great night sleep. However, before we knew it was 6.00am and that meant time for breakfast.

A brisk morning walk around the zoo and a play on the amazing play equipment, overheard from one child to be ‘the most amazing play equipment in the world’, and the Year 4 Zoo Snooze experience was over.

The students from Gordon West showed maturity throughout the entire experience, and they should be congratulated for their behaviour. A big thank you goes to the amazing teachers from GW. They put in a huge amount of time in the planning and attending this very informative event.

Mr Sparke
Yummy Cakes

Cake day is on Tuesday 25th August and Year 5 are hosting the event. Don’t forget to bring 50c to buy some goodies.

Volunteers required

We are asking parents from Year 5 to contribute to Cake Day by bringing cakes, Jellys (in cups with own spoons please) biscuits, muffins, shop bought lamingtons and/or cakes (NO Lollies please!). If any parents in year 5 can help by volunteering to receive cakes in the morning (8:30 - 9:30) or to sell at recess time (10:45 - midday). If you can assist please email Vanessa Spanswick on aspanswi@bigpond.net.au

Your help will be greatly appreciated.

Resilience Workshops

The Fund Raising Committee is funding both the Resilience Workshops. The two workshops on offer are:

- Raising Kids that Cope - Building an Optimistic Mindset in Children
  Wednesday 26 August, 7.00 - 8.30pm

- Raising Kids that Cope - Building Strong and Resilient Young People
  Wednesday 2 September, 7.00 - 8.30pm

The cost is $10 to attend one, or both sessions per family, yes that’s right only $10 per family. Bookings and payments can be made at the following TryBooking link.

Thank You...

A huge appreciation to the FRASC organising committee and all those who donated prizes for the Black & White Bingo & Band social. It was a fabulous evening and everyone seemed to enjoy themselves. Photo’s to follow.

dates for the diary

- Tuesday August 25
  Cake Day (Year 5)

- The Resilience Doughnut
  Building Strong and Resilient Kids that Cope
  August 26th & September
  2nd in the evening in the school hall. Please see flyer in the Bulletin

- Thursday September 10
  Showcase Performance
$10 to attend one or both sessions.

MANLY NIPPERS 2015/16

REGISTER TO BECOME A MANLY NIPPER NOW

Join Manly Life Saving Club Nippers this summer and enjoy a fun activity-based program that will educate you about surf safety and awareness.

Nippers is a great way for kids to build confidence and learn valuable life skills and knowledge in a safe beach environment. On the way, kids make new friends and have the opportunity to participate in competition events. Nippers who successfully complete the program are awarded a Surf Rescue Certificate and with further training can become qualified surf lifesavers.

How to Register
All new and re-registering Nipper members will need to attend one of two registration days.
Time: 8:30am-12:30pm
Date: Sunday 6th & 13th September 2015
Venue: Manly Life Saving Club (top floor)
On Ashburner St & South Steyne, Manly

All Nippers will need to successfully complete a preliminary skills evaluation (pool swim) to register. Proof of age must be provided.

More Information
Download a copy of the registration form and find further details about registration including starting age, age categories, pool swim certificate requirements, merchandise and fees by visiting the Nippers homepage on the Manly Lifesaving website at www.manlylsc.com.au

Contact: Tim Cuthbert, Chairman - Manly Nippers
Phone: 0429 916 380 Email: nippers@manlylsc.com

West Pymble Netball Club
"Come & Try" Sessions

West Pymble Netball Club will be running 2 "come and try" sessions for beginner players from 6 - 9 years. They will be held on Friday 23rd October and Friday 30th October 2015 at Loftberg Road Netball Courts, from 4:00 - 5:00 pm. This is intended for those children who have not played any club netball but may be interested in joining West Pymble Netball Club next year.

Ku-ring-gai Netball Association (KNA) run a NetSetGo (NSG) Competition each year for all 7 & 8 year old players. All children must turn 7 or 8 within 2016 to register to play NSG for next season.

NSG is a simplified version of netball. It is non-competitive and uses a smaller ball, lower goal rings and simplified rules. The teams are not graded and children are placed in teams with their friends or with children from the same school whenever possible.

The "come and try" sessions will teach the basic skills required for NSG. Players should wear rubber-soled shoes (not school shoes) and bring a water bottle. NSG requires volunteer coaches for each team, so if you are interested in being a coach, please come along.

The cost will be $5 for one or both of the sessions. All players will need to complete a KNA registration form to ensure they are covered in the event of injury. All children will need to have a parent or guardian present during these clinics.

For further inquiries, please contact:
Lisa Harrell 0419554540
lharts@optusnet.com.au

There is no need to book. Please just come along to Loftberg Rd Netball Courts on Friday 23rd & 30th October 2015. We look forward to seeing you there!

Senior B lost 0-1
Junior B1 lost 0-3
Junior B2 lost 0-1
Congratulations to Ping -Han Tsai (6E) who has been selected to play in the Met Far North State Titles team for U12 soccer. He will go to State Title in Griffith from 21 Sep to 25 September.

Lost Property

Once again lost property is beginning to pile up!

Please label all clothing and hats clearly with your child’s first and last name as this makes it easier to return your items.
Gordon West Athletics Carnival 2015

After years of perfect sun drenched winter days, Gordon West had their first athletics carnival cancellation in 18 years. On Wednesday 5 August Gordon West’s rescheduled 2015 Athletics Carnival finally arrived. This time, Sydney had thrown us one its coldest mornings on record. These bitterly cold conditions may have affected some of the rugged up spectators, however, it did not deter the amazing sportsmanship, brilliant performances and unrelenting enthusiasm from all of the Gordon West competitors.

This year there was an amazing 10 school records broken in the track and field events. Georgia Spanswick managed to break 4 records, Jessica Maciver 3, Lachlan Herbert 2 and Sehan Samaragunarathna 1. These amazing results didn’t just happen by accident. It is because of the athlete’s hard work, dedication and countless training sessions that they were able to deliver such outstanding results. Congratulations to these athletes and to the many competitors that gave their best in every race throughout the carnival and during the field events at school. Thank you to all of the amazing parents that gave their time to help out with various roles during the carnival. Also, the very professional teachers did an exceptional job and they must be congratulated for their efforts on the day. The strong support from the parents and community continues to make Gordon West a fantastic environment for students to display their skills and deliver exceptional performances on the sporting field.
